*Nature's Numbers* Ian

Stewart 2008-08-04 "It appears to us that the universe is structured in a deeply mathematical way. Falling bodies fall

with predictable accelerations. Eclipses can be accurately forecast centuries in advance. Nuclear power plants generate electricity according to well-known formulas. But those examples are the tip of the iceberg. In *Nature's Numbers*, Ian Stewart presents many more, each charming in its own way.. Stewart admirably captures compelling and accessible mathematical ideas along with the pleasure of thinking of them. He writes with clarity and precision. Those who enjoy this sort of thing will love this book."--Los Angeles Times

*The Last Time I Saw*

*Mother* Arlene J. Chai  
2010-12-29 "My mother never writes. So when the mail arrived that day, I was not expecting to find a letter from her. There was no warning." Between generations of women, there are always secrets--relationships kept hidden, past events obscured, true feelings not spoken. But sometimes the truth is so primal it must be told. Now, with haunting lyricism and emotional clarity, Arlene Chai has written an exquisite novel about a family of women who break their silence. At the center

of The Last Time I Saw Mother is the singular story of a woman who suddenly learns she is not who she thinks she is. Caridad is a wife and mother, a native of the Philippines living in Sydney, Australia. Out of the blue Caridad's mother summons her home. Although she is not ill, Thelma needs to talk to her daughter -- to reveal a secret that has been weighing heavily on her for years. It is a tale that Caridad in no way suspects. She stopped asking questions about the past long ago; her mother's constant reluctance to answer finally subdued her curiosity. Now, it is through the words of Thelma, her aunt Emma, and her cousin Ligaya, that Caridad will learn the startling truth and attempt to recapture what has been lost to her. Arlene Chai tells their versions of the story in their own voices, each one distinct, moving, and magical. As each woman tells her part of their

family's hidden history, Caridad hears at last the unspoken stories-- the joys and sorrows that her parents kept to themselves, and the never forgotten tragedy of the war years, when Japan's brutal occupation and civilian deprivations helped destroy a country and its history. The Last Time I Saw Mother is about mothers and daughters. It is about a cultural identity born of Spanish, Chinese, and Filipino influence. And it is about the healing power of truth. Arlene Chai is one of the most stunning new novelists in years. She takes us to a place we have never been before.

**The Social Cancer** Jose Rizal 2009-06-01  
Filipino national hero Jose Rizal wrote *The Social Cancer* in Berlin in 1887. Upon his return to his country, he was summoned to the palace by the Governor General because of the subversive ideas his book had inspired in the

nation. Rizal wrote of his consequent persecution by the church: "My book made a lot of noise; everywhere, I am asked about it. They wanted to anathematize me ['to excommunicate me'] because of it ... I am considered a German spy, an agent of Bismarck, they say I am a Protestant, a freemason, a sorcerer, a damned soul and evil. It is whispered that I want to draw plans, that I have a foreign passport and that I wander through the streets by night ..."

**Ilustrado** Miguel Syjuco  
2010-04-27 Garnering international prizes and acclaim before its publication, *Ilustrado* has been called

"brilliantly conceived and stylishly executed . . .

It is also ceaselessly entertaining, frequently raunchy, and effervescent with humor" (2008 Man Asian Literary Prize panel of judges).

It begins with a body. On a clear day in winter, the battered corpse of Crispin Salvador is pulled from the Hudson River—taken from the world is the controversial lion of Philippine literature. Gone, too, is the only manuscript of his final

book, a work meant to rescue him from obscurity by exposing the crimes of the Filipino ruling families. Miguel, his student and only remaining friend, sets out for Manila to investigate. To understand the death, Miguel scours the life, piecing together Salvador's story through his poetry, interviews, novels, polemics, and memoirs. The result is a rich and dramatic family saga of four generations, tracing 150 years of Philippine history forged under the Spanish, the Americans, and the Filipinos themselves. Finally, we are surprised to learn that this story belongs to young Miguel as much as to his lost mentor, and we are treated to an unhindered view of a society caught between reckless decay and hopeful progress. Exuberant and wise, wildly funny and deeply moving, *Ilustrado* explores the hidden truths that haunt every family. It is a daring

and inventive debut by a new writer of  
astonishing talent.
