**When A Lawyer Falls In Love** Amrita Suresh 2014-07-22 A cheeky account of a chubby law graduate, as he waddles through life and law text books, in his rather futile attempts at wooing his pretty Gujarati classmate. Ankur Palekar, a third year law student believes his life is quite sorted out, except that he does not want to become a lawyer, has a family history of lunacy and has actually fallen in love. Vyas, Ankur's room mate and best friend, has no such problems - only a girl friend who emerges from a grave yard of all places and who insists on visiting him in his boy's hostel. A Malayali friend, whose car never starts and vocal chords never stop, a college festival being organized without the college and an arranged marriage which is more deranged than arranged are some of the other highlights. Funny, pacey, yet it has it's moments, 'When a Lawyer falls in love...' Is the kind of book, that will make you laugh and cry, both for the same reasons!

**The Sweetest Fruits** Monique Truong 2020-06-30 From Monique Truong, winner of the John Dos Passos Prize for Literature, comes "a sublime, many-voiced novel of voyage and reinvention" (Anthony Marra) "[Truong] imagines the extraordinary lives of three women who loved an extraordinary man [and] creates distinct, engaging voices for these women" (Kirkus Reviews) A Greek woman tells of how she willed herself out of her father's cloistered house, married an Irish officer in the British Army, and came to Ireland with her two-year-old son in 1852, only to be forced to leave without him soon after. An African American woman, born into slavery on a Kentucky plantation, makes her way to Cincinnati after the Civil War to work as a boarding house cook, where in 1872 she meets and marries an up-and-coming newspaper reporter. In Matsue, Japan, in 1891, a former samurai's daughter is introduced to a newly arrived English teacher, and becomes the mother of his four children and his unsung literary collaborator. The lives of writers can often

best be understood through the eyes of those who nurtured them and made their work possible. In *The Sweetest Fruits*, these three women tell the story of their time with Lafcadio Hearn, a globetrotting writer best known for his books about Meiji-era Japan. In their own unorthodox ways, these women are also intrepid travelers and explorers. Their accounts witness Hearn's remarkable life but also seek to witness their own existence and luminous will to live unbounded by gender, race, and the mores of their time. Each is a gifted storyteller with her own precise reason for sharing her story, and together their voices offer a revealing, often contradictory portrait of Hearn. With brilliant sensitivity and an unstinting eye, Truong illuminates the women's tenacity and their struggles in a novel that circumnavigates the globe in the search for love, family, home, and belonging.

From the winner of the inaugural Prime Minister's Literary Award, Steven Conte, comes a powerful, densely rich and deeply affecting novel of love, war and literature 'Grave, moving, engaging ... full of the flash and fire of dramatic incident, but also full of real feeling, humour and poignancy, and equipped with plenty of panache ... It deserves the widest possible readership.' *The Saturday Paper* In the first year of the doomed German invasion of Russia in WWII, a German military doctor, Paul Bauer, is assigned to establish a field hospital at Yasnaya Polyana - the former grand estate of Count Leo Tolstoy, the author of the classic *War and Peace*. There he encounters a hostile aristocratic Russian woman, Katerina Trubetskaya, a writer who has been left in charge of the estate. But even as a tentative friendship develops between them, Bauer's hostile and arrogant commanding officer, Julius Metz, becomes erratic and unhinged as the war turns against the Germans. Over the course of six weeks, in the terrible winter of 1941, everything starts to unravel... He reminds us that travel is always possible in the imagination even when reality goes dark and that literature always leads us towards the light.' Caroline Baum 'Steven Conte has written a sweeping historical saga spanning the second world WAR and the frigid decades of PEACE that followed; an essential novel about essential things - love's triumphs and failures, the redoubtable human spirit, and the power of literary art itself. Tolstoy, of course, is at the novel's heart, and in its very soul.' Luke Slattery, author, journalist, Books Editor of *Australian Financial Review* 'A riveting story of war, love and literature - Conte's prose does not miss a beat.' Jane Gleeson-White, award-winning author of *Classics and Double Entry*

**A Guide Through Finnegans Wake** Edmund L. Epstein 2009 This book guides readers through the complex, pun-based, and dreamlike narrative of James Joyce's *Finnegans Wake*. Their powers are impressive, but with a little foresight and thoughtfulness, we can take a stand against dickishness today. *How Not to Be a Dick* is packed with honest and straightforward advice, but it also includes playful illustrations showing two well-meaning (but not always well behaved) young people as they confront moments of potential dickishness in their everyday lives. There's Frank Draper, trapped by the guilt of those his medical treatment and care failed on their first day of freedom. All three struggle to find their own peace, and their own new story. In the end, love and freedom can have unexpected ways of expressing themselves. *The Railwayman's Wife* explores the power of beginnings and endings, and how hard it can sometimes be to tell them apart. Most of all, it celebrates love in all its forms, and the beauty of discovering that loving someone can be as extraordinary as being loved yourself"--

Landau 2010-09-20 Popular Politics in the History of South Africa, 1400-1948 offers an inclusive vision of South Africa's past. Drawing largely from original sources, Paul Landau presents a history of the politics of the country's people, from the time of their early settlements in the elevated heartlands, through the colonial era, to the dawn of Apartheid. A practical tradition of mobilization, alliance, and amalgamation persisted, mutated, and occasionally vanished from view; it survived against the odds in several forms, in tribalisms, Christian assemblies, and other, seemingly hybrid movements; and it continues today. Landau treats southern Africa broadly, concentrating increasingly on the southern Highveld and ultimately focusing on a transnational movement called the 'Samuelites'. He shows how people's politics in South Africa were suppressed and transformed, but never entirely eliminated.

**Patrick White** David Marr 2012-02-01 The award-winning and bestselling biography of Australia's only Nobel Prize-winner for Literature. 'I think this book should be called *The Monster of All Time*. But I am a monster . . .' Patrick White Patrick White, winner of the Nobel Prize and author of more than a dozen novels and plays - including *Voss*, *The Vivisector* and *The Twyborn Affair* - lived an extraordinary life. David Marr's brilliant biography draws not only on a wide range of original research but also on the single most difficult and important source of all: the man himself. In the weeks before his death, White read the final manuscript, which for richness of detail, authority and balance is stunning. Throughout his exciting narrative, Marr explores the roots of White's writing and unearths the raw material of his remarkable art. He makes plain the central fact of White's life as an artist: the homosexuality that formed his view of himself as an outcast and stranger able to penetrate the hearts of both men and women. Gracefully written and exhaustively researched, Patrick White is a biography of classic excellence - sympathetic, objective, penetrating and as blunt, when necessary, as White himself.

**The American Musical and the Formation of National Identity** Raymond Knapp 2018-06-05 The American musical has achieved and maintained relevance to more people in America than any other performance-based art. This thoughtful history of the genre, intended for readers of all stripes, offers probing discussions of how American musicals, especially through their musical numbers, advance themes related to American national identity. Written by a musicologist and supported by a wealth of illustrative audio examples (on the book's website), the book examines key historical antecedents to the musical, including the Gilbert and Sullivan operetta, nineteenth and early twentieth-century American burlesque and vaudeville, Tin Pan Alley, and other song types. It then proceeds thematically, focusing primarily on fifteen mainstream shows from the twentieth century, with discussions of such notable productions as *Show Boat* (1927), *Porgy and Bess* (1935), *Oklahoma!* (1943), *West Side Story* (1957), *Hair* (1967), *Pacific Overtures* (1976), and *Assassins* (1991). The shows are grouped according to their treatment of themes that include defining America, mythologies, counter-mythologies, race and ethnicity, dealing with World War II, and exoticism. Each chapter concludes with a brief consideration of available scholarship on related subjects; an extensive appendix provides information on each show discussed, including plot summaries and song lists, and a listing of important films, videos, audio recordings, published scores, and libretti associated with each musical.
