But Viktor thinks he's finally caught a break when he lands a well-paying job at the Kyiv newspaper writing "living obituaries" of

local dignitaries—articles to be filed for use when the time comes. The only thing is, the time always seems to come as soon as Viktor finishes writing the article. Story of the Glittering Plain William Morris 1892

First Time for Everything Henry Fry 2022-05-10 A “hilarious, tender, raw,

and heart-stoppingly moving” (Amanda Eyre Ward) debut about a down-on-his-luck gay man working out how he fits into the world, making up for lost time, and opening himself up to life’s possibilities “Fry brings a refreshing voice to the queer coming-of-age novel with characters whose stories don’t revolve around trauma. Instead, everyday experiences are portrayed with drama and delight.”—The Washington Post (New & Noteworthy) Danny Scudd is absolutely fine. He always dreamed of escaping the small-town life of his parents’ fish-and-chip shop, moving to London, and becoming a journalist. And, after five years in the city, his career isn’t exactly awful, and his relationship with pretentious Tobbs isn’t exactly unfulfilling. Certainly his limited-edition Dolly Parton vinyls and many (maybe too many) house plants are hitting the spot. But his world is flipped upside down when a visit to the local clinic reveals that Tobbs might not have been exactly faithful. In fact, Tobbs claims they were never operating under the “heteronormative paradigm” of monogamy to begin with. Oh, and Danny’s flatmates are unceremoniously evicting him because they want to start a family. It’s all going quite well. Newly single and with nowhere to live, Danny is forced to move in with his best friend, Jacob, a flamboyant nonbinary artist whom he’s known since childhood, and their eccentric group of friends living in an East London “commune.” What follows is a colorful voyage of discovery through modern queer life, dating, work, and lots of therapy—all places Danny has always been too afraid to fully explore. Upon realizing just how little he knows about himself and his sexuality, he careens from one questionable decision (and man) to another, relying on his inscrutable new therapist and housemates to help him face the demons he’s spent his entire life trying to repress. Is he really fine, after all?

[Born Behind Bars](#) Padma Venkatraman 2021-09-07 "Venkatraman has never met a heavy theme she did not like....Borrowing elements of fable, it's told with a recurring sense of awe by a boy whom the world, for most of his life, has existed only in stories."—New York Times Book Review The author of the award-winning *The Bridge Home* brings readers another gripping novel set in Chennai, India, featuring a boy who's unexpectedly released into the world after spending his whole life in jail with his mom. Kabir has been in jail since the day he was born, because his mom is serving time for a crime she didn't commit. He's never met his dad, so the only family he's got are their cellmates, and the only place he feels the least bit free is in the classroom, where his kind teacher regales him with stories of the wonders of the outside world. Then one day a new warden arrives and announces Kabir is too old to stay. He gets handed over to a long-lost "uncle" who unfortunately turns out to be a fraud, and intends to sell Kabir. So Kabir does the only thing he can--run away as fast as his legs will take him. How does a boy with nowhere to go and no connections make his way? Fortunately, he befriends Rani, another street kid, and she takes him under her wing. But plotting their next move is hard--and fraught with danger--in a world that cares little for homeless, low caste children. This is not the world Kabir dreamed of--but he's discovered he's not the type to give up. Kabir is ready to show the world that he--and his mother--deserve a place in it.

White Noise Don DeLillo 1999-06-01 A brilliant satire of mass culture and the numbing effects of technology, *White Noise* tells the story of Jack Gladney, a

teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

[News from Nowhere and Other Writings](#) William Morris 2004-12-02 Poet, pattern-designer, environmentalist and maker of fine books, William Morris (1834-96) was also a committed socialist and visionary writer, obsessively concerned with the struggle to achieve a perfect society on earth. *News From Nowhere*, one of the most significant English works on the theme of utopia, is the tale of William Guest, a Victorian who wakes one morning to find himself in the year 2102 and discovers a society that has changed beyond recognition into a pastoral paradise, in which all people live in blissful equality and contentment. A socialist masterpiece, *News From Nowhere* is a vision of a future free from capitalism, isolation and industrialisation. This volume also contains a wide selection of Morris's writings, lectures, journalism and letters, which expand upon the key themes of *News From Nowhere*.

The Parisian Prowler Charles Baudelaire 1997-01-01 From Edouard Manet to T. S. Eliot to Jim Morrison, the reach of Charles Baudelaire's influence is beyond estimation. In this prize-winning translation of his no-longer-neglected masterpiece, Baudelaire offers a singular view of 1850s Paris. Evoking a mélange of reactions, these fifty "fables of modern life" take us on various tours led by a flâneur, an incognito stroller. Through day and night, in gleaming cafés and filthy side streets, this alienated yet compassionate esthete muses on the bizarre in the commonplace, the sublime in the mundane. As the work reveals a teeming metropolis on the eve of great change, we see a Paris as contradictory, surprising, and ultimately unknowable as our guide himself. Superbly complemented by twenty-one period illustrations by Delacroix, Callot, Manet, Whistler, Baudelaire himself, and others, *The Parisian Prowler* is an essential companion to *Les Fleurs du Mal* and other works by the father of modern poetry. In the preface to this edition, translator Edward K. Kaplan explains how the volume's illustrations act as a graphic subtext to the narrator's observations.

William Morris Fiona MacCarthy 1995 Winner of the Wolfson History Prize, the essential biography of the father of the Arts and Crafts movement. The author, Fiona MacCarthy, is the curator of the National Portrait Gallery's 2014-15 exhibition *Anarchy and Beauty: William Morris and His Legacy*. 'One

of the finest biographies ever published in this country' A. S. Byatt Since his death in 1896, William Morris has come to be regarded as one of the giants of the Victorian era. But his genius was so many-sided and so profound that its full extent has rarely been grasped. Many people may find it hard to believe that the greatest English designer of his time, possibly of all time, could also be internationally renowned as a founder of the socialist movement, and could have been ranked as a poet together with Tennyson and Browning. With penetrating insight, Fiona MacCarthy has managed to encompass all the different facets of Morris's complex character, shedding light on his immense creative powers as artist and designer of furniture, fabrics, wallpaper, stained glass, tapestry and books, and as a poet, novelist and translator; his psychology and his emotional life; his frenetic activities as polemicist and reformer; and his remarkable circle of friends, literary, artistic and political, including Dante Gabriel Rossetti and Edward Burne-Jones. Fiona MacCarthy's skilful drawing together of these disparate elements makes for a comprehensive and compelling biography.

Dubliners James Joyce 2014-05-25T00:00:00Z Dubliners is a collection of picturesque short stories that paint a portrait of life in middle-class Dublin in the early 20th century. Joyce, a Dublin native, was careful to use actual locations and settings in the city, as well as language and slang in use at the time, to make the stories directly relatable to those who lived there. The collection had a rocky publication history, with the stories being initially rejected over eighteen times before being provisionally accepted by a publisher—then later rejected again, multiple times. It took Joyce nine years to finally see his stories in print, but not before seeing a printer burn all but one copy of the proofs. Today Dubliners survives as a rich example of not just literary excellence, but of what everyday life was like for average Dubliners in their day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Pre-Raphaelites: From Rossetti to Ruskin Dinah Roe 2010-07-01 The Pre-Raphaelite Movement began in 1848, and experienced its heyday in the 1860s and 1870s. Influenced by the then little-known Keats and Blake, as well as Wordsworth, Shelley and Coleridge, Pre-Raphaelite poetry 'etherialized sensation' (in the words of Antony Harrison), and popularized the notion of 'art pour l'art - art for art's sake. Where Victorian realist novels explored the grit and grime of the Industrial Revolution, Pre-Raphaelite poems concentrated on more abstract themes of romantic love, artistic inspiration and sexuality. Later they attracted Aesthetes and Decadents like Oscar Wilde, Aubrey Beardsley and Ernest Dowson, not to mention Gerard Manley Hopkins and W.B. Yeats.

Son of Elsewhere Elamin Abdelmahmoud 2022-05-17 A “funny and frank” (The New York Times) collection of essays on Blackness, faith, pop culture, and the challenges—and rewards—of finding one’s way in the world, from a BuzzFeed editor and podcast host. “A memoir that is immense in its desire to give . . . a rich offering of image, of music, of place.”—Hanif Abdurraqib, author of *A Little Devil in America: Notes in Praise of Black Performance* At twelve years old, Elamin Abdelmahmoud emigrates with his family from his native Sudan to Kingston, Ontario, arguably one of the most homogenous cities in North America. At the airport, he’s handed his Blackness like a passport, and realizes that he needs to learn what this identity means in a new country. Like all teens, Abdelmahmoud spent his adolescence trying to figure

out who he was, but he had to do it while learning to balance a new racial identity and all the false assumptions that came with it. Abdelmohmoud learned to fit in, and eventually became “every liberal white dad’s favorite person in the room.” But after many years spent trying on different personalities, he now must face the parts of himself he’s kept suppressed all this time. He asks, “What happens when those identities stage a jailbreak?” In his debut collection of essays, Abdelmohmoud gives full voice to each and every one of these conflicting selves. Whether reflecting on how *The O.C.* taught him about falling in love, why watching wrestling allowed him to reinvent himself, or what it was like being a Muslim teen in the aftermath of 9/11, Abdelmohmoud explores how our experiences and our environments

help us in the continuing task of defining who we truly are. With the perfect balance of relatable humor and intellectual ferocity, *Son of Elsewhere* confronts what we know about ourselves, and most important, what we’re still learning.
