Jasmine Bharati Mukherjee 1999 Jasmine, a young widow in India, moves to the United States to begin a new life **Experiments in Film Appreciation** Alessandro Monti **The Blue Bedspread** Raj Kamal Jha 2012-06-20 A midnight phone call awakens a man to inform him that his sister has died in childbirth. He is told he must keep the orphaned baby girl overnight, until her new, adopting parents can collect her. Over the course of that hot night in Calcutta, the man hurriedly writes stories to the baby sleeping on a blue bedspread in the next room: stories of the family she was born into, stories of the mother she will never know. Painting half-remembered scenes, he flits between past and present, recounting tales of the shared childhood of a boy and his sister who muffled their fears in the blueness of that very same bedspread. As the hours pass, the man gradually divulges a layered and transfixing confession of the darkest of family secrets. Described by John Fowles as "remarkable, almost a coming-of-age of the Indian novel," this powerful, penetrating debut by a young New Delhi journalist has already been recognized as an international literary event. In prose that is breathtaking and precise, Raj Kamal Jha discovers the hidden violence and twisted eroticism of an exotic, overcrowded old city. Unlike the India captured in the exotic prose of Salman Rushdie and Arundhati Roy, Jha writes in a spare, straightforward style that has prompted comparisons to American realists like Raymond Carver and Don DeLillo. The Blue Bedspread is a searingly honest story about the love and hope that can survive in the midst of family violence. It is a first novel of extraordinary power and humanity.

Clothing Matters Emma Tarlo 1996-09 What do I wear today? The way we answer this question says much about how we manage and express our identities. This detailed study examines sartorial style in India from the late nineteenth century to the present, showing how trends in clothing are related to caste, level of education, urbanization, and a larger cultural debate about the nature of Indian identity. Clothes have been used to assert power, challenge authority, and instigate social change throughout Indian society. During the struggle for independence, members of the Indian elite incorporated elements of Western style into their clothes, while Gandhi's adoption of the loincloth symbolized the rejection of European power and the contrast between Indian poverty and British wealth. Similar tensions are played out today, with urban Indians adopting "ethnic" dress as villagers seek modern fashions. Illustrated with photographs, satirical drawings, and magazine advertisements, this book shows how individuals and groups play with history and culture as they decide what to wear.

Fragmented Frames Bhawana Somaaya 2008-01-01 From the advent of moving images more than 100 years ago to the multiple genres and mega projects of today, Indian cinema has really come a long way. the audience that earlier discarded this medium as a 'world of make-believe' is now akin to critics whose verdict determines the success of a film. Even writing on cinema, once referred to as 'yellow journalism' confined to the glossies, has transformed into a serious and respectable profession. What's more, it has even infiltrated into the front-page territory! Fragmented Frames is a celebration of this change in perspective, as recorded by an eminent film critic, who has seen cinema developing and achieving greater heights over the three long decades. the book offers her reflections on various aspects ranging from mythology, theatre, television, superstition to literature, scandals, controversies and more. It provides a glimpse of this dream world, and at the same time, discusses certain 'real' issues associated with it.

Does He Know A Mother's Heart? How Suffering Refutes Religions Arun Shourie 2017-08-16 How can extreme suffering be so commonplace if there is a God who knows everything, who is all-powerful and also compassionate? How do the scriptures of our religions explain the existence of suffering? Do these explanations stand up to examination? Does our experience testify to a God? Or do the two demons - time and chance - explain all that we have to go through? In a devastating dissection of the scriptures - laced with accounts of the suffering and pain that he has seen at first-hand - Arun Shourie tells us why he has eventually gravitated to the teachings of the Buddha. And what lessons these teachings hold for our daily lives.

Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay’s The J. B. Petit Girls’ High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio’s Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: “A star is born.” Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the ’70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes’ Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like ‘Kora Kagaz’ and ‘Palash ke Phool’ and programmes like ‘Baaje Paayal’. Currently she has chosen to retire from acting, but adds, “Never say never.” She lives by the famed Juhu shoreline in Mumbai.

The Namesake Jhumpa Lahiri 2006-12-01 Original essays and glorious photography, stunningly designed in this unique moviebook from the director of Monsoon Wedding and Vanity Fair—a Fox Searchlight release. In her essay "Writing and Film," the Pulitzer Prize-winning novelist Jhumpa Lahiri writes about the experience of seeing her novel "transposed" from paper to film. "Its essence remains, but it inhabits a different realm and must, like a transposed piece of music, conform to a different set of rules. . . . To have someone as devoted and as gifted as Mira reinvent my novel . . . has been a humbling and thrilling passage." Mira Nair's essay, "Photographs as Inspiration," begins with the provocative comment: "If it weren't for photography, I wouldn't be a filmmaker." She explains how photographs help her crystallize the visual style of her films and which particular photos influenced her vision for The Namesake. These two essays, written exclusively for this Newmarket Pictorial Moviebook, introduce an amazing panoply of images of people and places shot mainly in New York and Calcutta during the making of the movie, accented by excerpts from Lahiri's bestselling novel. Six Indian and American photographers' works are represented. Brilliantly illuminating the immigrant experience and the tangled ties between generations, The Namesake tells the story of the Ganguli family, whose move from Calcutta to New York evokes a lifelong balancing act to adapt to a new world while remembering the old. The couple's firstborn, Gogol, and sister Sonia grow up amid these divided loyalties, struggling to find their own identity without losing their heritage. Kal Penn (Harold & Kumar Go to White Castle, Superman Returns) stars as Gogol.

Dandelion Gabbie Hanna 2020-10-13 New York Times bestselling author Gabbie Hanna delivers everything from curious musings to gut-wrenching confessionals in her long-awaited sophomore collection of illustrated poetry. This edition includes a collection of uncomfortably honest personal essays about Gabbie’s childhood and relationships. In this visually thrilling installment of the inner-workings of Gabbie’s mind, we’re taken on a journey of self-loathing, self-reflection, and ultimately, self-acceptance through deeply metaphorical imagery, chilling twists on child-like rhymes, and popular turns of phrase turned on their heads. Through raw, provocative tidbits, Dandelion explores what it means to struggle with a declining mental health in a world where mental health is both stigmatized and trivialized. The poems range from topics of rage and despair to downright silliness, so if you don’t know whether to laugh or cry, just laugh until you cry.

Conversations with Mani Ratnam Baradwaj Rangan 2013-12-10 Mani Ratnam’s Nayakan is among Time’s ‘100 Best Movies Ever’; and Roja launched A.R. Rahman. This book, unique to Indian cinema, illuminates the genius of the man behind these and eighteen other masterly films. For the first time ever, Mani Ratnam opens up here, to Baradwaj Rangan, about his art, as well as his life before films. In these freewheeling conversations—candid, witty, pensive, and sometimes combative—many aspects of his films are explored. Ratnam elaborates in a personal vein on his choice of themes, from the knottiness in urban relationships (Agni Natchatiram) to the rents in the national fabric (Bombay); his directing of children (Anjali); his artful use of songs; his innovative use of lighting; as also his making of films in Hindi and other languages. There are fond recollections of collaborations with stalwarts like Balu Mahendra, P.C. Sreeram, Thotta Tharrani and Gulzar, among many others. And delectable behind-the-scenes stories—from the contrasting working styles of the legendary composer Ilaiyaraaja and Rahman to the unexpected dimensions Kamal Haasan brought to the filming of Nayakan to what Raavan was like when originally conceived. In short, like Mani Ratnam’s films, Conversations surprises, entertains and stimulates. With Rangan’s personal and impassioned introduction setting the Tamil and national context of the films, and with posters, script pages and numerous stills, this book is a sumptuous treat for serious lovers of cinema as well as the casual moviegoer looking for a peek behind the process.

Hindi Film Songs and the Cinema Anna Morcom 2017-07-05 Since their beginnings in the 1930s, Hindi films and film songs have dominated Indian public culture in India, and have also made their presence felt strongly in many global contexts. Hindi film songs have been described on the one hand as highly standardized and on the other as highly eclectic. Anna Morcom addresses many of the paradoxes eccentricities and myths of not just Hindi film songs but also of Hindi cinema by analysing film songs in cinematic context. While the presence of songs in Hindi films is commonly dismissed as purely commercial this book demonstrates that in terms of the production process, musical style, and commercial life, it is most powerfully the parent film that shapes and defines the film songs and their success rather than the other way round. While they constitute India's still foremost genre of popular music, film songs are also situational, dramatic sequences, inherently multi-media in style and conception. This book is uniquely grounded in detailed musical and visual analysis of Hindi film songs, song sequences and films as well as a wealth of ethnographic material from the Hindi film and music industries. Its findings lead to highly novel ways of viewing Hindi film songs, their key role in Hindi cinema, and how this affects their wider life in India and across the globe. It will be indispensable to scholars seeking to understand both Hindi film songs and Hindi cinema. It also forms a major contribution to popular music, popular culture, film music studies and ethnomusicology, tackling pertinent issues of cultural production, (multi-)media, and the cross-cultural use of music in Hindi cinema. The book caters for both music specialists as well as a wider audience.

The Consequences of Love Sulaiman S.M.Y. Addonia 2009-08-11 A Romeo and Juliet story set against the strict Muslim laws of Saudi Arabia, Sulaiman Addonia’s astonishing debut novel is a sensuous and intensely wrought story of a young immigrant and a girl behind a veil who defy law and risk their lives to be together. Under a relentless summer sun, women dressed like long dark shadows and men decked out in light cotton robes roam the streets of Jeddah. While most of Naser’s friends have left town to escape the heat, he must stay behind to work. An African immigrant and outsider, Naser spends his spare time frequenting a friend’s café,

writing letters to his mother in Eritrea, and daydreaming about the glamorous girlfriend he hopes to one day have. Naser and his younger brother were sent to Saudi Arabia to avoid the war back home, but though they live with their conservative Muslim uncle they remain under the watchful, wrathful eyes of the religious police, who monitor the community’s every action, govern the near indestructible boundaries between men and women—walls in mosques, panels on buses, separate visiting quarters in houses, and, of course, the black veil, or abaya, that adorns the women—and punish any disobedience by public beating or death. But a splash of color arrives in Naser’s world when unexpectedly a small piece of paper is dropped at his feet. It is a love note from a girl whose face he has never seen and whose voice he has never heard. To identify her among the sea of veiled women, she instructs him to look for a pair of pink shoes peeking out from under her draped abaya.

Intrigued and encouraged, Naser rebels against Wahhabist Islamic convention and begins a clandestine correspondence with the girl. Yet even as the barriers that divide them begin to crumble under the weight of their passionate prose and devotion, the lovers’ illicit affair will face the ultimate and most heartrending test. **Ghalib Danger** Neeraj Pandey 2013-12-15 Kamran Khan is a cocky young taxi driver trying to make it big in Mumbai. Imagining Lahore Haroon Khalid 2018 An anecdotal travelogue about Lahore - which begins in the present and travels through time to the mythological origins of the city attributed to Ram's son, Lav. Through the city's present - its people, communities, monuments, parks and institutions - the author paints a vivid picture of the city's past. From its emergence under Mahmud Ghaznavi to the Mughal centuries where several succession intrigues unfolded on its soil, its recasting as the capital of Maharaja Ranjit Singh's Khalsa Empire, the role it played in preserving the British Raj, to acting as an incubator of revolutionaries and people's movements, Lahore influenced the subcontinent's political trajectory time and again. Today, too, Lahore often determines which way the wind will blow on Pakistan's political landscape. The Lahore Resolution of 1940, which laid the blueprint for the creation of the country, was signed here. The city saw the birth of Zulfikar Ali Bhutto's PPP, as well as his downfall. It was to Lahore that Benazir Bhutto returned to combat a military dictator, and where Imran Khan heralded his arrival as a main contender on the political battlefield. As the capital of Punjab, Lahore continues to cast a long shadow over the federal state.

Studying Indian Cinema Omar Ahmed 2015-06-30 This book traces the historical evolution of Indian cinema through a number of key decades. The book is made up of 14 chapters with each chapter focusing on one key film, the chosen films analysed in their wider social, political and historical context whilst a concerted engagement with various ideological strands that underpin each film is also evident. This includes a consideration of narrative, genre, representation, audience and mise-en-scene. The case studies run chronologically from Awaara (The Vagabond, 1951) to The Elements Trilogy: Water (2005) and include films by such key figures as Satyajit Ray (The Lonely Wife), Ritwick Ghatak (Cloud Capped Star), Yash Chopra (The Wall) and Mira Nair (Salaam Bombay!).

Empress: The Astonishing Reign of Nur Jahan Ruby Lal 2018-07-03 A Finalist for the 2018 Los Angeles Times Book Prize in History Four centuries ago, a Muslim woman ruled an empire. When it came to hunting, she was a master shot. As a dress designer, few could compare. An ingenious architect, she innovated the use of marble in her parents’ mausoleum on the banks of the Yamuna River that inspired her stepson’s Taj Mahal. And she was both celebrated and reviled for her political acumen and diplomatic skill, which rivaled those of her female counterparts in Europe and beyond. In 1611, thirty-four-year-old Nur Jahan, daughter of a Persian noble and widow of a subversive official, became the twentieth and most cherished wife of the Emperor Jahangir. While other wives were secluded behind walls, Nur ruled the vast Mughal Empire alongside her husband, and governed in his stead as his health failed and his attentions wandered from matters of state. An astute politician and devoted partner, Nur led troops into battle to free Jahangir when he was imprisoned by one of his own officers. She signed and issued imperial orders, and coins of the realm bore her name. Acclaimed historian Ruby Lal uncovers the rich life and world of Nur Jahan, rescuing this dazzling figure from patriarchal and Orientalist clichés of romance and intrigue, and giving new insight into the lives of women and girls in the Mughal Empire, even where scholars claim there are no sources. Nur’s confident assertion of authority and talent is revelatory. In Empress, she finally receives her due in a deeply researched and evocative biography that awakens us to a fascinating history.
