Teach Like a Champion - Boyd County Public Schools

Taking a page from the playbook of Jim Collins who studied what separated the "good" from the "great" companies, Lemov looked for those teaching techniques that separated the merely good teachers from the great ones. This book is a compilation of those techniques and is presented as a toolbox for teachers who want to improve their craft.

Good to Great - [REDACTED]

GOOD TO GREAT THE SUMMARY IN BRIEF In his previous bestseller,Built to Last,Jim Collins explored what made great companies great and how they sustained that greatness over time. One point kept nagging him, though — great companies have, for the most part, always been great, while a vast majority of good companies remain just that: good, but ...
