

# The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

Eventually, you will utterly discover a additional experience and execution by spending more cash. still when? pull off you say yes that you require to get those all needs taking into account having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to comprehend even more regarding the globe, experience, some places, considering history, amusement, and a lot more?

It is your agreed own times to achievement reviewing habit. among guides you could enjoy now is **The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation** below.

**15 Stars** Stanley Weintraub 2007-06-12 In the closing days of World War II, America looked up to three five-star generals as its greatest heroes. George C. Marshall, Dwight D. Eisenhower, and Douglas MacArthur personified victory, from the Pentagon to Normandy to the Far East. Counterparts and on occasion competitors, they had leapfrogged each other, sometimes stonewalled each other, even supported and protected each other throughout their celebrated careers. In the public mind they stood for glamour, integrity, and competence. But for dramatic twists of circumstance, all three -- rather than only one -- might have occupied the White House. The story of their interconnected lives opens a fascinating window onto some of the twentieth century's most crucial events, revealing the personalities behind the public images and showing how much of a difference three men can make. Marshall and MacArthur were contemporaries and competitors. Eisenhower was MacArthur's underling, then Marshall's deputy, before becoming MacArthur's counterpart as a supreme commander, Ike in Western Europe, MacArthur in the Pacific. Each of the three five-star generals would go on to extraordinary postwar careers: MacArthur as a virtual viceroy of Japan, overseeing its transition to a new constitutional democracy, and

then leading the UN forces in the Korean War; Marshall as secretary of state, author of the Marshall Plan, and winner of the Nobel Peace Prize; Eisenhower as president. Fifteen Stars presents the intertwined lives of these three great men against the sweeping background of six unforgettable decades, from two world wars to the Cold War. It is history at its most dramatic yet most personal -- a triumph for Stanley Weintraub, our preeminent military historian.

*The Giza Death Star* Joseph P. Farrell 2001 This is physicist Joseph Farrell's amazing book on the secrets of the Great Pyramid of Giza. Among the topics discussed in detail in this fantastic book are: An Archaeology of Mass Destruction, Thoth and Theories; The Machine Hypothesis; Pythagoras, Plato, Planck, and the Pyramid; The Weapon Hypothesis; Encoded Harmonics of the Planck Units in the Great Pyramid; The Grand Gallery and its Crystals: Gravito-acoustic Resonators; The Other Two Large Pyramids, the 'Causeways', and the 'Temples'. Also: A Phase Conjugate Howitzer Evidence of the Use of Weapons of Mass Destruction in Ancient Times; High Frequency Direct Current 'Impulse' Technology; How the Giza Death Star worked. This book takes off where Christopher Dunn's 'The Giza Power Plant' left off. It is a rollicking ride into the world of fantastic science and an even more

fantastic past that is just beginning to be imagined!

**Big Sister, Little Sister, Red Sister** Jung Chang 2019-10-29 They were the most famous sisters in China. As the country battled through a hundred years of wars, revolutions and seismic transformations, the three Soong sisters from Shanghai were at the center of power, and each of them left an indelible mark on history. Red Sister, Ching-ling, married the 'Father of China', Sun Yat-sen, and rose to be Mao's vice-chair. Little Sister, May-ling, became Madame Chiang Kai-shek, first lady of pre-Communist Nationalist China and a major political figure in her own right. Big Sister, Ei-ling, became Chiang's unofficial main adviser - and made herself one of China's richest women. All three sisters enjoyed tremendous privilege and glory, but also endured constant mortal danger. They showed great courage and experienced passionate love, as well as despair and heartbreak. They remained close emotionally, even when they embraced opposing political camps and Ching-ling dedicated herself to destroying her two sisters' worlds. Big Sister, Little Sister, Red Sister is a gripping story of love, war, intrigue, bravery, glamour and betrayal, which takes us on a sweeping journey from Canton to Hawaii to New York, from exiles' quarters in Japan and Berlin to secret meeting rooms in Moscow, and from the compounds of the Communist elite in Beijing to the corridors of power in democratic Taiwan. In a group biography that is by turns intimate and epic, Jung Chang reveals the lives of three extraordinary women who helped shape twentieth-century China.

**The Cygnus Mystery** Andrew Collins 2012-01-01 The Cygnus Constellation holds the key to proving that life originated in the heavens—and will ultimately return there. Best-selling author Andrew Collins has uncovered an astronomy that is about 17,000 years old, with standing stones, temples, and monuments across the globe oriented towards Cygnus's stars. He also found that the use of deep caves by Palaeolithic man led to the rise of religious thought and the belief in life's stellar origins. Now modern-day technology has confirmed that high-energy particles come from a binary star known as Cygnus X3. Ancient people knew what science is finally verifying: that the DNA of life came originally from deep space.

**Before Atlantis** Frank Joseph 2013-03-24 A comprehensive exploration of Earth's ancient past, the evolution of humanity, the rise of civilization, and the effects of global catastrophes • Explores biological evidence for the aquatic ape theory and 20-million-year-old evidence of pre-human cultures from which we are not descended • Traces the genesis of modern human civilization to Indonesia and the Central Pacific 75,000 years ago after a near-extinction-level volcanic eruption • Examines the profound similarities of megaliths around the world, including Nabta Playa and Gobekli Tepe, to reveal the transoceanic civilization that built them all Exploring emerging and suppressed evidence from archaeology, anthropology, and biology, Frank Joseph challenges conventional theories of evolution, the age of humanity, the origins of civilization, and the purpose of megaliths around the world. He reveals 20-million-year-old quartzite tools discovered in the remains of extinct fauna in Argentina and other evidence of ancient pre-human cultures from which we are not descended. He traces the genesis of modern human civilization to Indonesia and the Central Pacific 75,000 years ago, launched by a catastrophic volcanic eruption that abruptly reduced humanity from two million to a few thousand individuals worldwide. Further investigating the evolutionary branches of humanity, he explores the mounting biological evidence supporting the aquatic ape theory--that our ancestors spent one or more evolutionary phases in water--and shows how these aquatic phases of humanity fall neatly into place within his revised timeline of ancient history. Examining the profound similarities of megaliths around the world, including Nabta Playa, Gobekli Tepe, Stonehenge, New Hampshire's Mystery Hill, and the Japanese Oyu circles, the author explains how these precisely placed monuments of quartz were built specifically to produce altered states of consciousness, revealing the spiritual and technological sophistication of their Neolithic builders--a transoceanic civilization fractured by the cataclysmic effects of comets. Tying in his extensive research into Atlantis and Lemuria, Joseph provides a 20-million-year timeline of the rise and fall of ancient civilizations, both human and pre-human, the evolutionary stages of humanity, and the catastrophes and resulting

climate changes that triggered them all--events that our relatively young civilization may soon experience.

**New Realities of the Twenty-first Century, Part 1** Prophet Wildman 2017-02-07 New Realities of the Twenty-first Century, Part 1 by Prophet Wildman The psychic/parapsychic experience in the supernatural is one that is not readily understood or accepted by the masses. After enjoying the gift of psychic future predictive awareness for more than fifty years, Prophet Wildman had a deep understanding of the psychic and parapsychic experience. However, it wasn't until 2008 when he began receiving Holy subject (Tribulation) awareness as a precognitive psychic medium that he really began to delve deeper into this relatively unknown subject and explore psychic and parapsychic experiences as they related to the supernatural and Christianity. Prophet Wildman wows his readers with first-hand experiences, both from the perspective of being Christian and of being a psychic medium, while also providing a comprehensive dissection and decoding of the Tribulation event as it relates to the prophecy. Wildman's deeply personal experiences, along with factual statements and others' first-hand experiences, provide the reader with a comprehensive read that will strengthen one's faith in Christ and Christianity, while opening up rarely explored doors to the supernatural, psychic and parapsychic worlds. Explore the unknown with Prophet Wildman as he weaves his unwavering Christian beliefs with everything from extraterrestrials and ultraterrestrials to vampires, U.F.O.s, and government cover-ups. An open mind and a strong religious conviction are all that's needed to begin searching and discovering some of the biggest mysteries of our time.

Atlantis beneath the Ice Rand Flem-Ath 2012-02-10 Scientific and mythological evidence that Antarctica was once Atlantis • Reveals how the earth's crust shifted in 9600 BCE, dragging Atlantis into the polar zone beneath miles of Antarctic ice • Examines ancient yet highly accurate maps, including the Piri Reis map of 1513, which reveals a pre-glacial Antarctica • Shows how myths of floods and disaster from around the world all point to a common source In this completely revised and expanded edition of When the Sky Fell, Rand and Rose Flem-Ath show

that 12,000 years ago vast areas of Antarctica were free from ice and home to the kingdom of Atlantis, a proposition that also elegantly solves the mysteries of ice ages and mass extinctions, the simultaneous worldwide rise of agriculture, and the source of devastating prehistoric climate change. Expanding upon Charles Hapgood's theory of earth crust displacement, which was championed by Albert Einstein, they examine ancient yet highly accurate world maps, including the Piri Reis map of 1513, and show how the earth's crust shifted in 9600 BCE, dragging Atlantis into the polar zone where it now lies beneath miles of Antarctic ice. From the Cherokee, Haida, and Okanagan of North America to the earliest records of Egypt, Iran, Mexico, and Japan, they reveal that ancient myths of floods, lost island paradises, and visits from advanced godlike peoples from all corners of the globe all point to the same worldwide catastrophe that resulted in Atlantis's demise. The authors explain how the remaining Atlanteans, amid massive earthquakes and epic floods, evacuated and spread throughout the world, resulting in the birth of the first known civilizations. Including rare material from the archives of Charles Hapgood, Albert Einstein, and Dwight D. Eisenhower, the Flem-Aths explain how an earth crust displacement could happen again in the future, perhaps in correspondence with high solar activity. With new scientific, genetic, and linguistic evidence in support of Antarctica as the location of long-lost Atlantis, this updated edition convincingly shows that Atlantis was not swallowed by the sea but was entombed beneath miles of polar ice.

From Atlantis to the Sphinx Colin Wilson 2004-07-01 In this compelling book, Colin Wilson argues that thousands of years before ancient Egypt and Greece held sway, there was a great civilization whose ships traveled the world from China to Antarctica. Their advanced knowledge of science, mathematics, and astronomy was passed on to descendants who escaped to Egypt and South America. From Atlantis to the Sphinx bases this assertion on a true fact: that archaeologists and geologists are at odds over the age of the Sphinx. Archaeologists claim that the Sphinx dates to classical dynastic Egypt, around 2,400 b.c. But some geologists claim that it could have been built as early as 7,000 to 10,500 b.c. The

geologists' claim is based on the curious fact that the erosion of the Sphinx is more characteristic of water erosion than that of wind and sand. Starting from the assumption that there was an advanced civilization in existence much earlier than previously thought, Wilson goes on to claim that it could very well be Atlantis--not a literal island that sank, but more of a great civilization that either declined naturally or experienced a great catastrophe, passing on only a fraction of its knowledge to other peoples. From Atlantis to the Sphinx delves into what might have been a completely different knowledge system from that of modern man--one as alien to us as that of the Martians. The book sets out to reconstruct that ancient knowledge in a fascinating exploration of the remote depths of history, a ground-breaking attempt to understand how these long-forgotten peoples thought, felt, and communicated with the universe.

Egypt: Child of Atlantis J. S. Gordon 2004-05-18 Reveals that Egyptian civilization is far older than commonly believed and that its sacred science was the legacy of the gods who founded Atlantis • Explains the cosmological and astronomical underpinnings of Egyptian philosophy and how they gave structure to the entire society • Explores the importance of the Precession of the Equinoxes in the initiatory nature of Egyptian life This book asserts that the civilization of Egypt existed far longer than is commonly believed and was structured around forms of cosmic knowledge that involved astronomical and geographical competence that modern science has yet to attain. Building on evidence of the prehistoric existence of an ancient worldwide religious culture that extended all the way to Tibet and China, John Gordon traces the origins of Egyptian culture to the legendary lost continent of Atlantis. Based on an understanding of the Precession of the Equinoxes and its inextricable connection to human evolution and divine purpose, he concludes that the sacred science of the ancient Egyptians was the legacy left to them by "fallen star gods," conscious divine beings who founded Atlantis. Egyptologists contend that ancient Egypt was a civilization obsessed with death, that its greatest monuments were tombs, and that its history dates back only some 5,000 years. In contrast Gordon suggests this civilization

to have been 50,000 years older. Furthermore, he contends that Egypt was originally not a society obsessed with death, but one that saw in life and death an initiatory transition. This idea was followed by the entire population, which was attuned to the form and nature of cosmic evolution at all levels of being, from the highest to the most mundane. **Atlantis in the Amazon** Richard Wingate 2011-05-20 An investigation into the ancient technologically advanced artifacts amassed by Father Carlo Crespi and how they offer proof of Atlantis in South America • Includes photos and descriptions of the strange machines and beautiful artifacts that once comprised the "Crespi Treasure" • Connects Crespi's treasures to readings by Edgar Cayce and Annie Besant's descriptions of Atlantean colonies in Ecuador • Reveals the nuclear war between the Atlanteans and the Aryans and the radioactive evidence left behind in the Bahamas and Pakistan In 1923 an Italian priest, Father Carlo Crespi, came to Ecuador as a missionary. Befriending the indigenous Shuar people, he learned of an ancient treasure they had sworn to protect hidden within a network of underground tunnels. As newly converted Christians, the Shuar wanted to share with their priest these amazing anachronistic artifacts--golden sarcophagi from Egypt, bronze plaques depicting famous scenes from antiquity bearing both Quechua and Phoenician writing, copper wheels and gears as hard as steel, strange machines, and many other inexplicable items. Crespi faithfully maintained the collection until just before his death when the Ecuadorian government purchased it from the church and many of these priceless treasures were lost forever. Providing detailed descriptions and his own photos of the advanced technologies and beautiful art that comprised the "Crespi Treasure," Richard Wingate reveals that the ancient civilization responsible for these advanced artifacts was Atlantis. Connecting Crespi's treasures to Edgar Cayce's descriptions of advanced technology in the distant past and the Atlantean colonies of Ecuador described by Annie Besant, Wingate explores other evidence of Atlantis in South America and the Bahamas, including geographically out-of-place underwater ruins and buried magnetic ore. Investigating ancient records, such as the Mahabharata, he shows how a prehistoric nuclear

war between the Atlanteans and the Aryans ultimately resulted in the sinking of Atlantis, and he uncovers the radioactive archaeological evidence left behind. Explaining how our ancient ancestors regretted their nuclear actions and destroyed or buried their advanced technology, entering into a self-imposed Stone Age, he shows how our civilization is headed down the same path and that only through “green” choices can we avoid the same fate as Atlantis.

**Lemuria and Atlantis** Shirley Andrews 2004-01 The mysterious civilizations of Lemuria and Atlantis become reality as Shirley Andrews, the author of *Atlantis: Insights From a Lost Civilization* combines details from scholars, scientists and the respected psychic Edgar Cayce. Her sober portrayal of disturbing parallels between the spiritual decay of Atlantis and our modern world, and her reasonable explanations for the vivid dreams and past life memories recounted by numerous people about life on the lost lands enhance this fascinating book.

**The Giza Death Star Destroyed** Joseph P. Farrell 2005 Final volume in a trilogy, the first of which is the author's *The Giza death star*, and the second of which is his *The Giza death star deployed*.

**Lost Race of the Giants** Patrick Chouinard 2013-09-28 An exploration of mythological and archaeological evidence for prehistoric giants • Examines the many corresponding giant mythologies throughout the world, such as the Greek and Roman titans, Norse frost giants, and the biblical Nephilim • Reveals recent finds of giant skeletons in the deserts of Saudi Arabia and India • Explains how giants passed on their sophisticated culture and civilization to humanity before being wiped out in the great age of cataclysms and floods Giants are a cornerstone of the myths, legends, and traditions of almost every culture on Earth. Stories of giants are often considered fantasies of the ancients or primitive attempts to explain natural phenomena, but archaeological discoveries of 10- and 12-foot skeletons--many of which have been suppressed--confirm the existence of a forgotten golden age of giants before recorded history. Patrick Chouinard examines the staggering number of corresponding giant mythologies throughout the world, such as the Greek and Roman titans, Norse frost giants, the Hindu Daityas, the biblical Nephilim, the

Celtic Formorach, the Sumerian Anunnaki, and the multitude of myths in which the sky or world is held aloft on the shoulders of a giant. He links these stories to Atlantis as well as other legends of prehistoric civilizations lost to cataclysm and great floods whose survivors spawned the rise of ancient civilizations. The author reveals how physical remains of giant-size peoples have been found on almost every continent, including recent finds in the deserts of Saudi Arabia, Afghanistan, and northern India as well as hundreds of excavations of giant mummies and skeletons across the United States, corresponding directly with Native American accounts of red-haired giants. He also examines reports from famous explorers such as Magellan, Sir Francis Drake, and Desoto of their encounters with giants on the North American continent. Revealing how giants represent the true earthborn race, Chouinard explains how they engaged in open conflict with the extraterrestrial gods who created humanity for forced labor and how they passed their sophisticated culture and civilization on to humanity before being nearly wiped out in the great age of cataclysms.

*The Atlantis Blueprint* Colin Wilson 2008-12-10 A spellbinding blend of history and science, scholarship and speculation, this landmark work presents startling new evidence that traces archaeology's most enduring mysteries back to the lost civilization of Atlantis.... The Great Pyramid. Stonehenge. Machu Picchu. For centuries, these and other sacred sites have inspired wonder among those who ponder their origins.

Conventional science tells us they were constructed by local peoples working with the primitive tools of a fledgling civilization. But these megaliths nonetheless continue to attract pilgrims, scholars, and adventurers drawn by the possibility that their true spiritual and technological secrets remain hidden. Who could have built these elaborate monuments? How did they do it? And what were their incomprehensible efforts and sacrifices designed to accomplish? Now comes a revolutionary theory that connects these mysteries to reveal a hidden global pattern -- the ancient work of an advanced civilization whose warnings of planetary cataclysm now reverberate across one hundred millennia. International bestselling author Colin Wilson and

Canadian researcher Rand Flem-Ath join forces to share startling evidence of a fiercely intelligent society dating back as much as 100,000 years -- one that sailed the oceans of the world, building monuments to preserve and communicate its remarkable wisdom. The Atlantis Blueprint is their term for a sophisticated network of connections between these sacred sites that they trace to Atlantis: a sophisticated maritime society that charted the globe from its home base in Antarctica ... until it was obliterated by the devastating global changes it anticipated but could not escape. Here is adventure to realms beyond our imaginings ... to shifting poles, changing latitudes ... into the world of ancient mariners who recharted the globe ... to astonishing discoveries about our ancestors. Here are the great mysteries ... the incredibly complex geography of the Temple of Luxor ... the startling sophistication of Egyptian science and math ... and tantalizing similarities among the Hebrew, Greek, and Mayan alphabets to the Chinese lunar zodiac. The Atlantis Blueprint opens up a Pandora's box of ancient mysteries, lost worlds, and millennial riddles. It is a story as controversial, fascinating, dangerous -- and inspiring -- as any ever told.

*The Lost Civilization of Lemuria* Frank Joseph 2006-05-17 A compelling new portrait of the lost realm of Lemuria, the original motherland of humanity • Contains the most extensive and up-to-date archaeological research on Lemuria • Reveals a lost, ancient technology in some respects more advanced than modern science • Provides evidence that the perennial philosophies have their origin in Lemurian culture Before the Indonesian tsunami or Hurricane Katrina's destruction of New Orleans, there was the destruction of Lemuria. Oral tradition in Polynesia recounts the story of a splendid kingdom that was carried to the bottom of the sea by a mighty "warrior wave"--a tsunami. This lost realm has been cited in numerous other indigenous traditions, spanning the globe from Australia to Asia to the coasts of both South and North America. It was known as Lemuria or Mu, a vast realm of islands and archipelagoes that once sprawled across the Pacific Ocean. Relying on 10 years of research and extensive travel, Frank Joseph offers a compelling picture of this motherland of humanity, which he suggests was the original

Garden of Eden. Using recent deep-sea archaeological finds, enigmatic glyphs and symbols, and ancient records shared by cultures divided by great distances that document the story of this sunken world, Joseph painstakingly re-creates a picture of this civilization in which people lived in rare harmony and possessed a sophisticated technology that allowed them to harness the weather, defy gravity, and conduct genetic investigations far beyond what is possible today. When disaster struck Lemuria, the survivors made their way to other parts of the world, incorporating their scientific and mystical skills into the existing cultures of Asia, Polynesia, and the Americas. Totem poles of the Pacific Northwest, architecture in China, the colossal stone statues on Easter Island, and even the perennial philosophies all reveal their kinship to this now-vanished civilization.

**Atlantis and the Coming Ice Age** Frank Joseph 2015-03-16 Reveals the parallels between the rise and fall of Atlantis, cultures in ancient Mesoamerica, and our modern civilization • Links the demise of Atlantis with the birth of the Olmec civilization in Mexico, the beginning of the first Egyptian dynasty, and the start of the Mayan Calendar • Reveals the Atlantean and Mayan prophecy of an eternal cycle of global creation, destruction, and renewal and how we are headed into a destructive phase • Shows how ancient prophecies correlate precisely with the latest climatology studies, the rising incidence of solar flares, and papers from Pentagon and NASA analysts With the passing of the Mayan Calendar's end date we can now focus on the true significance of what the Maya and their predecessors were trying to convey to future civilizations. Frank Joseph reveals how the Mayan prophecy, symbolized by their calendar, was created through the combined genius of Atlantis and Lemuria and predicts an eternal cycle of global creation, destruction, and renewal. He shows how this cycle correlates precisely with scientific studies on glacial ice cores and predictions from the Hopi, the Incas, and the Scandinavian Norse as well as the visions of Edgar Cayce. He links the demise of Atlantis with the birth of the Olmec civilization in Mexico (the progenitors of the Maya), the beginning of the first Egyptian dynasty, and the start of the Mayan Calendar. Drawing on the latest climatology

studies and papers from Pentagon and NASA analysts, he reveals that we are on the brink of a destructive phase in the global cycle of change as predicted by the Atlanteans and the Maya. The world's current political, economic, and cultural deterioration is paralleled by unprecedented storms and record temperatures, massive solar flares, tectonic disturbances, and fissuring sea floors that could release dangerous reservoirs of methane gas into the environment--all of which signals we are headed into another ice age. Despite the Atlanteans' greater understanding of the cyclical nature of catastrophes and of the human role in them, Joseph reveals the mistakes they made that played a crucial role in their civilization's destruction. By recognizing the self-destructive patterns of Atlantis in our own civilization, we can learn from their mistakes to reestablish civilization's cosmic balance before time runs out.

*Atlantis and the Kingdom of the Neanderthals* Colin Wilson 2006-06-27  
The history of Neanderthal influence from Atlantis to the contemporary era • Provides evidence of Neanderthal man's superior intelligence • Explores the unexplained scientific and architectural feats of ancient civilizations • Presents an alternative history of humankind since 7500 B.C. with an emphasis on esoteric traditions and the history of Christianity from the Essenes onward

In *Atlantis and the Kingdom of the Neanderthals* Colin Wilson presents evidence of a widespread Neanderthal civilization as the origin of sophisticated ancient knowledge. Examining remarkable archaeological discoveries that date back millennia, he suggests that civilization on Earth is far older than we have previously realized. Using this information as a springboard, Wilson then fills in the gaps in the past 100,000 years of human history, providing answers to previously unexplained scientific and architectural feats of ancient civilizations. Wilson shows that not only did Atlantis exist but that the civilizing force behind it was the Neanderthals. Far from being the violent brutes they are traditionally depicted as, Wilson shows that the Neanderthals had sophisticated mathematical and astrological knowledge, including an understanding of the precession of the equinoxes, and that they possessed advanced telepathic abilities akin to the "group consciousness" evident in flocks of birds and schools of fish.

These abilities, he demonstrates, have been transmitted through the ages by the various keepers of the hermetic tradition--including the Templars, Freemasons, and other secret societies. In the course of his investigation, Wilson also finds new information about historical links between the Masonic tradition and the Essenes that indicate that America was "discovered" long before Columbus set sail and that Jesus actually survived crucifixion and fled to France with his wife Mary Magdalene.

**The Sign** Thomas de Wesselow 2012-04-03 Christianity was born nearly two thousand years ago in ancient Palestine. It has shaped the course of human history. Yet historians still cannot say how it really began. How did a first-century Jew called Jesus manage to spark a new religion? It is one of the biggest and most profound of all historical mysteries. This extraordinary book finally provides a convincing answer. Traditionally, the birth of Christianity has been explained via the miracle of the Resurrection. After Jesus died he was raised from the dead by God and appeared to his disciples, telling them to spread the gospel. Once they saw the Risen Jesus, nothing could shake their belief. Within a few generations Christianity had spread throughout the Middle East and Europe; within a few centuries it had taken over much of the world. But historians have been unable to account for Christianity's remarkable success without the Resurrection to spark it. If no one really saw the Risen Jesus, how were his followers convinced that he was their immortal Messiah? Art historian Thomas de Wesselow has spent the last seven years deducing the answer to this puzzle, and in doing so he has pieced together an entirely new picture of the birth of Christianity. Reassessing a familiar but misunderstood historical source and reinterpreting many biblical passages, de Wesselow shows that the solution has been staring us in the face for more than a century. The Shroud of Turin, widely thought to be a fake, is in fact authentic. And it holds the key to the greatest mystery in human history.

**Upside Down World** Eugene Crowley 2009 *Upside Down World: The Loss of the Sacred Cosmos* is an incisive look on the concept of self awareness, instructing readers on how to find their true identities and potential by showing through detailed research how one needs to view

reality and thereby move into a state of fulfillment with life. Eugene Crowley Jr. uses the elements of philosophy, history, mythology, spiritual and scientific issues, and social elements of ancient cultures to show how Western civilization has neglected the knowledge and acts of self-realization, instead trying to act as society deems appropriate.

Integrating many cultures and societies throughout time, including Native Americans, Ancient Egypt, the Greeks, and early Americans, the author references their beliefs, customs, and religions to help illustrate how other cultures and people live their lives in a more awakened state.

**Conquering the Chaos** Ravi Venkatesan 2013-06-18 Providing an insider view on how to tackle the very unique challenges of the Indian market, the former India head of two U.S. multinational corporations proves that if you can make it in India, you can make it anywhere by revealing how to break into through successfully. 10,000 first printing.

**The Murder of Moses** Rand Flem-Ath 2019-06-04 An investigation of how Moses was deceived and murdered by his father-in-law, Reuel • Shows how the magician Reuel staged the Burning Bush that spoke to Moses and assumed Moses' identity after his murder • Explains how early scribes edited the Exodus story to cover Moses' assassination and replacement and fabricated Moses' origin story • Builds upon the Moses research of Goethe, Christopher Marlowe, and Sigmund Freud--who spent the last 40 years of his life obsessed with solving Moses' murder The life of Moses, the greatest prophet of the Old Testament, has always been shrouded in mystery. The Bible mentions no witnesses to Moses' death, no funeral, and no indication of his burial place, and the story of Exodus paints a very contradictory picture of this man so important to both Judaism and Christianity. At times, he is depicted as a meek, stuttering figure and at others his tyrannical commands and fits of rage terrorize the children of Israel. And, for the last years of his life, he chose to hide behind a veil. What is the explanation for these extreme shifts in character? Was Moses mentally ill? As Rand and Rose Flem-Ath reveal, the evidence points to something much more sinister: Moses was murdered and replaced by an impostor. The result of a decade-long investigation, this book continues and builds upon the research of

Goethe, Christopher Marlowe, and Sigmund Freud--who spent the last 40 years of his life obsessed with solving Moses' murder--and reaches a startling but well-evidenced conclusion that Moses was deceived and murdered by his father-in-law, Reuel. The authors show how Reuel was a skilled magician trained at Egypt's prestigious House of Life and they reveal his motive: He was the son of Esau, from whom Jacob stole his birthright, the leadership of the Hebrew people, a role that Moses was now assuming. The authors explain how the magician Reuel used his sophisticated skills of manipulation and illusion to fake the Burning Bush that spoke to Moses as well as conceal his assumption of Moses' identity after the murder. They reveal how the early scribes of the Old Testament inserted lags of time into the Exodus story to cover Moses' assassination and replacement, fabricated Moses' origin story, and changed the location of the "Mountain of God" from Edom, where Reuel was a prince, to Sinai. Unveiling the enigma of Moses' real story--and his murder and replacement--the Flem-Aths dramatically challenge the time line and details of biblical history, exposing a cover-up at the very origins of Western religion.

**The Three Ages of Atlantis** Diego Marin 2013-11-28 Scientific and anthropological evidence for multiple Atlantean empires and the global catastrophes that destroyed them • Reveals that there was not one but three Atlantises--the first in Antarctica, the second in South America, and the third in the Mediterranean • Examines geological evidence of super-floods 15,000, 11,600, and 8,700 years ago • Shows how these flood dates directly parallel the freezing of Antarctica, the migrations of Cro-Magnon men, and the destruction of Atlantis according to Plato 15,000 years ago the Earth's axis tilted, shifting the geographic poles. Volcanoes erupted, the icecaps melted, and the seas rose dramatically. Antarctica was enveloped in ice, destroying the high civilization of prehistory: Atlantis. But before the survivors could reestablish what they had lost, catastrophe struck again--twice. Uniting scientific findings with theories on the location of Atlantis, the authors reveal that there was not one but three Atlantises--the first in Antarctica, the second in South America, and the third in the Mediterranean. Examining paleoclimatology data, they

show that Antarctica was temperate 15,000 years ago and home to the original Atlantis. They explore geological evidence of three worldwide super-floods 15,000, 11,600, and 8,700 years ago and show how these dates directly parallel the freezing of Antarctica, the arrival of Cro-Magnon man in Europe, and the destruction of Atlantis according to Plato. Uncovering the influence of the Atlanteans in Proto-Indo-European languages and in massive ancient monuments aligned with the stars, they show how the civilization founders in all early myths--the Pelasgians, Danaans, Viracocha, Aryans, and others--were part of the Atlantean diaspora and how this migration split into two major movements, one to Latin America and the other to Europe and Asia. Following the Atlanteans from a warm Antarctica up to Peru, Mexico, and the Mediterranean, they reveal that Cro-Magnon men are the people of Atlantis and that we are just now returning to their advanced levels of science, technology, and spirituality.

**The History Of Atlantis** Lewis Spence 2013-11-26 The History of Atlantis may, in the light of our present knowledge of Plato 's sunken island, appear as a somewhat presumptuous title for a work, the object of which is to present a general outline of what is known concerning Atlantean civilisation. Yet the author placed this study upon a scientific basis, and in so doing he has attached the description of "history" to this work in the hope that the mere invocation of such a name will endow it with the spirit which should inspire all histories a desire to arrive at fundamental truth by every available means. Contents: Preface Introductory The Sources Of Atlantean History I: The Writings Of Plato The Sources Of Atlantean History Ii: From The Fourth Century B.C. Atlantean Historical Sources Examined The Geography Of Atlantis The Races Of Atlantis The Stone Age In Atlantis The Kings Of Atlantis Atlantis In Britain The Traditions Of Atlantis Life In Atlantis The Atlantean State And Polity The Religion Of Atlantis Animal Life In Atlantis The Colonies Of Atlantis The Atlantean Culture Complex

The Path of the Pole Charles H. Hapgood 1999 Hapgood's tour de force is back in print! This riveting account of how earth's poles have flipped positions many times is the culmination of Hapgood's extensive research

of Antarctica, ancient maps and the geological record. This amazing book discusses the various pole shifts in earth's history -- occurring when earth's crust slips in the inner core -- and gives evidence for each one. It also predicts future pole shifts: a planetary alignment will cause the next one on 5 May 2000! Packed with illustrations, this book is the reference other books on the subject cite over and over again. With millennium madness in full swing, this is just the book to generate even more excitement at the unknown possibilities.

Disinformation Guide to Ancient Aliens, Lost Civilizations, Astonishing Archaeology & Hidden History Preston Peet 2013-01-01 "If you think the history you were taught in school was accurate, you're in for a big surprise. This group of researchers blows the lid off everything you thought you knew about the origins of the human race and the culture we live in"--Cover p. [4].

**White Panther** Janez Jansa 2018 'The settlement consisted of a few cottages huddled in the mountain pass, pressed into a shelter of huge stone boulders. In the scarce pre-dawn light, the seven-year-old boy silently moved away from the last cabin and limped over to a spring, a bit more than a stone's throw away. A strong jet of rapid water burst from under a rock, falling over stones and small pools into a steep riverbed. Lan took heed of his wounded leg and carefully knelt down, then washed his face with the cold water. He shifted his weight onto his good knee, and pushed the left into the cool stream. The knee was badly bruised and swollen. The cold bite of the water made the skin above and below the knee sting, but it numbed the feeling in the swollen joint. He persisted. 203BC For the Karnian people, in the idyllic mountain passes of the Eastern Alps, the Roman Empire is no longer a distant menace: the legions are massing on their borders. It is a time for leaders to step forward - to try through diplomacy to save their independence, and to ready the weapons of war should they fail. Lan is the son of one of those leaders - eager to ride in battle to defend his country. But he must also learn from his father and from the elders of his tribe that courage must be tempered with judgement, and that power alone is not enough. In doing so, he witnesses the forging of a new nation - the Kingdom of

Noric. A powerful yet lyrical tale that combines the sweep of history with the human impact of empire and war.

*Killing Moses* Rand Flem-Ath 2014-12-06 There is a subterranean story within the Bible that has been repressed for centuries. It is a tale of greed, betrayal and revenge. It is the story of the hijacking of the Exodus by a perfect impostor. Why is so little known about the death of Moses - the greatest prophet of the Old Testament? There are no witnesses - no body - no funeral - and ..".no one knows to this day where his burial place is." The clues to this ancient enigma lie in the disturbing circumstances surrounding his disappearance. The truth about this powerful man remains elusive, as his life has always been shrouded in mystery. The isolated details of the biblical story and the contradictory accounts of his behavior have mystified and frustrated scholars and devotees alike. For the last years of his life he chose to hide behind a mask. At times he is depicted as a meek, stuttering figure; pleading with God that he's unfit for a sacred mission. At other times his tyrannical commands terrorize the children of Israel. What is the explanation for these extreme shifts in the prophet's character? Was Moses mentally ill? The evidence suggests something much more sinister: he was assassinated and replaced by an impostor. The idea that the prophet had been murdered obsessed Sigmund Freud for forty years. But despite devoting his last book to the subject he could not identify the man who had stolen the prophet's identity. *KILLING MOSES* exposes a prime suspect, the Magician Reuel; a charismatic character whose influence molded the development of both Judaism and Christianity. Far from being a minor biblical character - Reuel was Moses father-in-law. He was deeply embedded in the lives of the tribal leaders; a perfect position from which to pursue his brutal agenda of vengeance. Trained in the elite art of magic at Egypt's prestigious House of Life he had learned how his sophisticated skills could serve him well in manipulating and dominating the political game. The story of Osiris (a critical tale in the education of any Egyptian magician) in which a righteous son slays his uncle in retaliation for the murder of his father provided Reuel with a blueprint for murder. His motive for murdering Moses was as old as humankind. A born actor, his

commanding voice and sense of drama eventually paved the way for him to seize control over a naive and often terrified populace. To this end he concealed his face behind a mesmerizing mask. But it was his unique talent for impersonation that hid his crimes for more than 3000 years. Using time-honoured detection methods to crack this ultimate cold case file *KILLING MOSES* uncovers the motive, the means and the opportunity of the prime suspect in this enduring, unsolved homicide.

**The Mayan Prophecies** Adrian Gilbert 1996 The present world will end on 22nd December 2012, so prophesized the Maya 5000 years ago in their inscriptions deep within the Central American rainforests. Who were the Maya? Where did they come from and why did they suddenly disappear? Will we suffer floods, volcanic eruptions and chaos in 2012? *The Outsider* Colin Wilson 1978 Individet på den forkerte hylde søger at hævde sig gennem overkreativitet

*Digging Through History* Richard A. Freund 2016-10-27 Digging through History follows rabbi and archaeologist Richard Freund's journey through some of the most fascinating archaeological sites of human history including the mysterious Atlantis, Qumran and the Dead Sea Scrolls, and the long-buried Holocaust camp Sobibor. Each chapter takes readers through a different archaeological site, showing what we can learn about past religious life and religious faith through the artifacts found there, as well as what has given each site such strong "staying power" over time."

**Fingerprints of the Gods** Graham Hancock 2012-09-19 Could the story of mankind be far older than we have previously believed? Using tools as varied as archaeo-astronomy, geology, and computer analysis of ancient myths, Graham Hancock presents a compelling case to suggest that it is. "A fancy piece of historical sleuthing . . . intriguing and entertaining and sturdy enough to give a long pause for thought."—Kirkus Reviews In *Fingerprints of the Gods*, Hancock embarks on a worldwide quest to put together all the pieces of the vast and fascinating jigsaw of mankind's hidden past. In ancient monuments as far apart as Egypt's Great Sphinx, the strange Andean ruins of Tihuanaco, and Mexico's awe-inspiring Temples of the Sun and Moon, he reveals not only the clear fingerprints

of an as-yet-unidentified civilization of remote antiquity, but also startling evidence of its vast sophistication, technological advancement, and evolved scientific knowledge. A record-breaking number one bestseller in Britain, *Fingerprints of the Gods* contains the makings of an intellectual revolution, a dramatic and irreversible change in the way that we understand our past—and so our future. And *Fingerprints of God* tells us something more. As we recover the truth about prehistory, and discover the real meaning of ancient myths and monuments, it becomes apparent that a warning has been handed down to us, a warning of terrible cataclysm that afflicts the Earth in great cycles at irregular intervals of time—a cataclysm that may be about to recur. “Readers will hugely enjoy their quest in these pages of inspired storytelling.”—The Times (UK)

**Truth Vibrations** David Icke 1999-07 David Icke's extraordinary story and the message that *Truth Vibrations* brings to every man, woman and child is of importance to the future of planet Earth.

*When the Sky Fell* Rand Flem-Ath 1997-12-15 Tenders new evidence, including an ancient Egyptian map, proving that the legendary civilization of Atlantis did exist and sank to the bottom of the sea, and predicts another environmental catastrophe that will bring about the end of the world. Reprint.

*Progeny: The Complete Trilogy* Shawn Hopkins 2021-10-17 AN EVIL FROM THE VERY BEGINNING IS STILL HERE... Trapped behind the veil of another reality, a Fallen angel from antiquity sets in motion a plan of escape—a plan which involves summoning his real world progeny to himself through an oceanic gateway. As the day of escape nears, those the angel has abducted fight to flee the island themselves. But can they decode the megalithic formulas in time, or will they be left behind, trapped in an unsettled version of Bermuda for the rest of their lives? And if the angel does escape back to the real world, will he succeed in freeing his condemned brethren from Tartarus, unleashing tribulation on the earth in an attempt to reinstate a long lost Golden Age? In a battle between Good and Evil, Light and Darkness, a group of ex-soldiers will come face-to-face with the birth of a cosmic, age-long conspiracy that could spell the end of the world as they know it. Described by readers as

"Dan Brown meets LOST meets Left Behind," *Nephilim Island* begins with John Carter looking for his missing brother in a tranquil Bermuda and ends with an epic clash between worlds in *Apocalypse Rising*. This special edition contains all three novels in the *Progeny* trilogy.

*Hidden Mysteries* Joshua David Stone 1996-12-12 The Essenes, the Kahunas of Hawaii, Pan and the nature kingdom, the angelic kingdom, the Vedas and Upanishads, the Kabbalah, the Yoga sutras of Patanjali, the Egyptian mysteries, and The Keys of Enoch: These profound spiritual teachings, unknown to so many on our planet, are a valuable resource to anyone wishing to move further along the path to enlightenment and ascension. This book contains a wealth of information on esoteric teachings, from the ancient mystery schools to the recently founded religions. More than a mere retelling of well-known facts, the story begins with what may be the most elusive knowledge of our time —that of the extraterrestrial presence on Earth.

*Ancient Mysteries* Peter J. James 1999 Examines some of the great mysteries of the ancient world, drawing on the latest research to reveal the secrets behind the Nazca lines, the destruction of Sodom and Gomorrah, and the curse of Tutankhamun

*The Theory Of Celestial Influence* Rodney Collin 2019-01-15 Before Paulo Coelho and Eckhart Tolle came Rodney Collin. A huge 466 page book full of essential knowledge. *How To Become Supernatural Man, The Universe and Cosmic Mystery* is an exploration of the universe and man's place in it. Rodney Collin examines 20th-century scientific discoveries and traditional esoteric teachings and concludes that the driving force behind everything is neither procreation nor survival, but expansion of awareness. Collin sets out to reconcile the considerable contradictions of the rational and imaginative minds and of the ways we see the external world versus our inner selves. For readers familiar with Gurdjieff's cosmology will here find further examinations of the systems outlined in by Ouspensky in *Search of the Miraculous*.

**Where do we come from** Ernst Muldashev

**Survivors of Atlantis** Frank Joseph 2004-08-10 Explores scientific evidence from four cataclysmic events that led to the development of

civilization and the downfall of Atlantis • The sequel and companion volume to *The Destruction of Atlantis* • Studies the connections between the world-conquering war the Atlanteans launched and the quartet of natural catastrophes that ravaged the earth more than 5,000 years ago • Demonstrates that the Atlanteans ran an imperial copper trade empire that stretched from North America to Asia Minor Archaeologists have long puzzled over the evidence suggesting highly sophisticated copper mining activities in the area of the Great Lakes some 5,000 years ago. Menomonic Indian tradition speaks of fair skinned mariners who had come in the past to “dig out the shiny bones” of the Earth Mother. Plato, meanwhile, recorded that Atlanteans provided an exceptionally high grade of copper that was no longer available in his time. In this sequel to *The Destruction of Atlantis*, Frank Joseph argues that the Menomonic Indians’ mariners were Atlanteans and that the destruction of Atlantis by war and natural catastrophe brought about the end of Bronze Age civilization. Furthermore, Atlantis’s survivors dispersed to all sides of their former island empire into Western Europe, the Near East, and North and South America. In *Survivors of Atlantis* Frank Joseph provides an in-depth study of the Atlantean war and the intimate connections it had with the last of four great cosmic catastrophes generated by the cyclical return of a comet and its debris. This quartet of natural disasters was followed by mass migrations recorded in the histories of such diverse peoples as the Incas of Peru, the Celtic Irish, the Classical Greeks, and the Aztecs of Mexico. Where the archaeology, mythology, astronomy, and geology of these cultures coincide, a common thread is

exposed: Atlantis. Joseph shows that the fate of the Atlantean empire is the story of early civilization and reveals Atlantis to be a credible part of the world’s history.

**Nephilim Island** Shawn Hopkins THE NEPHILIM WERE ON THE EARTH IN THOSE DAYS - AND ALSO AFTERWARD - WHEN THE SONS OF GOD WENT TO THE DAUGHTERS OF MEN AND HAD CHILDREN BY THEM. THEY WERE THE HEROES OF OLD, MEN OF RENOWN. - GENESIS 6:4 It has been months since John Carter's estranged brother, Henry, has gone missing. When last heard from, he was sailing off to Bermuda in search of an author whose books deal with the esoteric traditions of past ages. Reluctantly, John joins Henry's old Special Forces Teammates on a trip to Bermuda, hoping to discover the truth behind Henry's disappearance. But not all is as it seems in Bermuda, and the puzzle that awaits John on the small island paradise will prove to be more sinister than anything the world has seen in a very long time. As the fingers of an ancient evil seek to draw him into another world - a world where all of Hell is trying to break loose - John must confront the truth of his own past...and pray that he might survive its revelation... ..that the world might survive its revelation. Described as "Dan Brown meets *Lost* meets *Left Behind*," Progeny takes the reader through the heart of the Bermuda Triangle and drops them in a world where biblical legends and ancient mythologies - the similarities of which Hopkins "describes with academic dexterity" - reign terrifyingly supreme. Buckle up! Progeny is "equal parts religious thriller and action-packed roller coaster ride!"
